SUMMARY

E-commerce and marketplace operations specialist with 10+ years running end-to-end operations across eBay, Shopee, TikTok Shop, Walmart, Etsy and Amazon Seller Central - store and catalog management, listing optimization, competitor pricing, order operations, customer follow-up and performance reporting. Led a team of 5+ and lifted company profit by 20% in one quarter; also builds production Python automation for reporting, scraping and workflow handoffs. Open to remote contract, part-time or full-time roles; flexible with US/EU/APAC hours.

CORE SKILLS

Marketplace ops	eBay, Shopee, TikTok Shop, Walmart, Etsy, Amazon Seller Central; store & catalog management, listing optimization, pricing, inventory, order operations, account health
Growth	SEO/SEM, Google Ads, social media marketing, product content & copy, performance reporting, competitor & pricing research
Data & reporting	Excel / Google Sheets, sales & behaviour analysis, weekly performance reports, KPI tracking, dashboards
Automation	Python, Selenium, n8n, web scraping, SQLite data pipelines, REST APIs, scheduling, Telegram reporting
Tools	WordPress, Google Workspace, PayPal, Trello, Figma, Adobe Photoshop, GitHub

SELECTED RESULTS

- Led cross-platform marketing and listing optimization that lifted company profit by 20% in a single quarter; supervised and mentored a team of 5+.
- Closed a two-container export deal within three months; earlier e-commerce marketing strategy generated tens of millions of IDR in the first months.

PROFESSIONAL EXPERIENCE

Digital Marketing & E-commerce Supervisor

PT. Getei Teknologi Utama - Sidoarjo | Sep 2013 - Mar 2022

- Ran end-to-end US marketplace operations across eBay, Walmart, Etsy and Amazon Seller Central, including store, catalog and listing management.
- Built listing optimization with custom graphics, copy and SEO-driven content; researched competitor pricing to inform positioning.
- Led cross-platform marketing that lifted company profit by 20% in a single quarter.
- Supervised and mentored a team of 5+; owned daily operations, training and performance reporting.

Business Marketing Supervisor

PT. Yoewono Jaya Mandiri - Surabaya | Jan 2025 - Dec 2025

- Built B2B sales strategy and marketing materials; closed a two-container export deal in three months.
- Managed B2B customer relationships and internal business processes; tracked market trends and competitor pricing.
- Built reporting and follow-up workflows in Google Sheets to reduce manual admin.

Sales Marketing Executive

PT. Indopanen Sejahtera - Sidoarjo | Jun 2024 - Dec 2024

- Developed an e-commerce marketing strategy that generated tens of millions of IDR in the first months.
- Managed invoicing, reconciliation and expense tracking; prepared weekly sales-performance reports.

Web & Business Developer (Freelance)

Self-employed - Surabaya (Remote) | May 2022 - Jun 2024

- Built responsive websites and landing pages for small businesses and e-commerce clients using HTML, CSS and JavaScript.
- Automated reporting and customer follow-up workflows with n8n and Google Sheets; managed projects end to end.
